Pictured above is a Schuetzen rifle used by a visiting competitor at here at GRRC. The matches are like a walk through a museum- many guns are over a hundred years old. There are more reports than ever before in this month's edition of the Gazette. Thanks to ALL who submitted pictures and article information. We are starting Year 5 of this format. PLEASE read about the upcoming events...they are awesome. Next GMM is at the Red Shed Tuesday, June 19, 1900 hrs. Stay involved! We need all hands to carry out our upcoming events and projects.

Red Shed Report

XO's Observations from the BPCR LR shoot June 2-3: The target shed shows that it is well used but needs to be kept neater by those who use it. The trash barrels were full and items used for target maintenance were strewn all around in the center of the shed. Considering the heavy use of the shed by various disciplines, we users need to straighten and clean up after ourselves so that the next users don't have to clean up after the previous users.

Put liners in the trash barrels so they can be emptied easily – the barrels the BPCR LR shooters found were packed full of some type of pressure sensitive adhesive backed material that could NOT be poured out of the barrels. **Put liners in the trash barrels.** If you are the one who finds them full, tie the liner up and bring the bags to the dumpster when your event is over. **Put liners in the trash barrels.**

Use the proper targets for your discipline's shooting/matches. At the KD range, the various disciplines have made their own frames and targets and maintain them for their shoots. Don't make extra work for someone else by using their targets. Use your discipline's targets.

Kurt B, Tom T, let me know if putting up some extra shelving on the north wall of the will help with organizing target maintenance stuff in the target shed. BPCR appreciates all the work you have done to keep the range looking good and if we can help with a bit of work elsewhere, please let me know.

Our Facility Management team installed a **wooden fence** along the west side of the campground.(Picture page 5) After last year's storms, we found just how close our neighbors are. Good fences make good neighbors.

Legislative Alert re: Tactical Shotguns Steve Marden

Please send your comments to BATFE about their proposed ban on many shotguns: The Bureau of Alcohol, Tobacco and Firearms is allowing public comments prior to deciding whether to outlaw common shotguns. Strained definitions of "sporting purpose" and "military" are at the root of the proposed ban, and almost all pump-action and semi-automatic shotguns could be banned as they are all capable of accepting a magazine, box or tube capable of holding more than 5 rounds.

This includes shotguns used in USPSA, IDPA and IPSC competitions. Dudley Brown, Executive Director of Rocky Mountain Gun Owners, said if the ATF succeeds with the banning of tactical shotguns it "will be the most dangerous interpretation of the 1968 Gun Control Act ever envisioned and will outlaw thousands of perfectly legitimate home defense shotguns."

Those wishing to express concerns about the ban can send an email to shotgunstudy@atf.gov To see the NRA comments which were made to BATFE, please go to http://www.nraila.org/media/PDFs/ShotgunBanCommenttoBATFE_FINAL.pdf

Flag Day, June 14, falls within National Flag Week, a time when Americans reflect on the foundations of the nation's freedom. The flag of the United States represents freedom and has been an enduring symbol of the country's ideals since its early days. During both events, Americans also remember their loyalty to the nation, reaffirm their belief in liberty and justice, and observe the nation's unity. Fly your flag with pride.

GRRC GMM Meeting 5/12/12

President Dave Newell called the meeting to order at 7:03pm on 15May2012 at the Red Shed, Harris, MN with a quorum of 101 members present and 5 guests. The Vice-President Kim Frick led the membership in the Pledge of Allegiance, followed by a moment of silence to honor departed members and those serving in the military.

Secretary's Report: Motion was made by Jerry Sadowski, with second by Rick Rarick to approve the April GMM minutes which were published in the May issue of the Gazette. No discussion. Motion carried.

Executive Officer's Report – A recent dispute occurred on the range between a 600yd user and a range maintenance personnel. A suggestion was made for an "in use" sign to be installed at the front gate. Bruce issued a reminder to members that courtesy and common sense prevails at the range, along with the responsibility of the user to first determine if the range of choice is already in used.

Chief Instructor's Report – Andy Mager – No report.

1st Readings – Peter Dills, Apple Valley, Doug Renner, New Brighton, Byron Peterson, Isanti and Christopher Fairbanks, North Branch. 2nd Readings - Present - Steve Daniels, Russell Good and Rob Peterson. Acting Sergeant at Arms, Joe Showalter, led the applicants, guests and non-members from the room. Treasurer's Report – Motion made by Rick Repovsch, and second by Lance Wells to accept the Treasurer's Report as given. Motion carried. The President requested a motion to accept the Second Readings as a group. Moved by Jodie Showalter, second from Joe Groshens. Motion carried. The President requested a motion to accept the group as members of GRRC. Moved by Bruce Peglow, second from Mike Tyson. Carried. The new members, and guests were led back into the room. VP Kim Frick introduced and welcomed 3 new members. See the Secretary after the meeting to pay your fees.

Committee Reports

Action Arms, Steven Shimek: The next Steel Challenge will be June 10.

All Around Match, Rich Williams: Sets of targets are for sale at \$10/set. See him after the meeting to get your set.

Archery, Joe Groshens: Joe has announced his resignation as chair. Dave asked for a replacement. Andy Carlson was recognized for his efforts in cleaning up the Archery Range.

Black Powder, Bill Prock: The Salad Shoot on April 28th had 23 entries. Fine weather conditions and a good time was had by all. The Rendezvous is coming up in September.

BP Cartridge, Rik Rarick: Thirty-four shooters came for the Gong Match on May 11 and 12. Great weather prevailed. .22f Match will be on July 21 and 22. Set-up and sighting is on July 20. Everyone is invited.

Facility Management, Dave Anderson: roads are graded.

Forestry Management, Lowell Rogers: went over some details about the possibility of having a Skeet Range behind the MP range.

High Power, Tom Torborg: reported that F-Class League on July 19 needs a Stat Officer. On July 14 – "M-1 for Vets" match will be hosted by GRRC. This is a repeat of the military match. Need help as there will be a large turnout. Dave will be serving Bar-B-Que for this match. As always, be sure to police your brass.

Juniors, Joe Showalter: Use of the outdoor MP range started two weeks ago. Eight Juniors are prepping for the Olympics.

Legislative, Steve Marden: Check the website for more information.

Membership, Laurie: There are now 21 on the Waiting List.

Newsletter: Dave said that the percentages of members receiving the e-version vs. hardcopy is now running about 50-50. New members see Laurie with your e-mail addresses so we can get you set up to receive the e-version.

Pistol: Bob Linder reported on the second night of IPSC league, which was last night. His project for this year is to fill in the low area between the CONNEX container and the shed so a retaining fence can be installed for outdoor storage of IPSC materials and supplies. He commented that someone has been using pop cans for targets on the Pistol Range. Use only approved targets for shooting.

Schutzen, Bruce Peglow: The first match was May 3 and 4 with 16 shooters participating. One drove up from Iowa and shot 959 out of 1000 with open iron sights.

Shotgun, Larry Sparks: Everyone is welcome to show up for the Wednesday Night League at 5pm.

Website, Dave Newell: Interest increases each month with more and more hits on our website.

Good & Welfare/Correspondence: Laurie asked to be contacted when members learn of illness or other circumstances that need remembering.

OLD BUSINESS

Tractor: More discussion on the purchase of a good used tractor. The need for two or three trained and approved operators is needed. Perhaps we should purchase two pieces for specialized work, instead of one. A tractor as large as the one proposed would need fluid filled tires. A motion and second to call the question to stop discussion was heard. Carried. Voted on motion to purchase a good used tractor carried.

Michael J. Kaluza: The meeting recessed at 7:58 pm to excuse guests and non-voting members. The meeting reconvened at 8:15 pm for a vote on the BOD recommendation to expel GRRC member, Michael J. Kaluza. The expulsion of Michael Kaluza was upheld by more than 2/3 of Gopher Members voting at the meeting. This portion of the May Membership Meeting was held in confidential executive session, pursuant to GRRC Bylaws and Roberts Rules of Order, and all related information, comments, documents, evidence, discussions, argument and the like is **completely confidential and may not be discussed** with anyone who is not a GRRC Member, in good standing, who actually attended the meeting.

NEW BUSINESS

Joe Showalter made a motion to reimburse Samantha Peterson \$500 towards her expenses to attend Camp Perry. As a 13-year old, she took a Silver Medal in Colorado. Way to go, Sam!

Rik Rarick brought up the need to have a defibulator at the range. Laurie so moved, with second by Dave Schirra. Tom Torborg may have a connection to get one donated. Motion carried.

ANNOUNCEMENTS: none

Board of Directors Meeting, unless otherwise scheduled, not until October 2012. **General Membership Meeting,** Tuesday, 19 June 2012, Red Shed 1700 hrs.

The President entertained a motion to adjourn, which was made by Lance Wells and second by Rick Repovsch. Motion carried to adjourn at 9:37 pm. Carried.

Respectfully submitted, Laurie A. Pekarik, GRRC Secretary

2012 Blackpowder
Warm Up Shoot 6/23

Want to tune up your guns, sight in, practice on the same range as the MN Territorial? This is the shoot for you. The intent of this event is to give both competitors and fun shooters a chance to practice before the main shooting season starts. This is not a competition; it is just an opportunity to practice on the same range, shoot the same Territorial Aggregate targets and with probably the same competitors you will face later. If you do not want to shoot the Territorial Targets, you are free to bring whatever targets you wish to shoot. Paper targets only!

\$5 registration and low target prices to simply cover our costs. Normal NMLRA and GRRC range safety and conduct rules will be in effect. NMLRA or NRA membership not required. This should be a relaxing and inexpensive way to get ready, or just have some shooting fun with old and new friends

When: June 23, 2011 Saturday only

Where: Blackpowder Range

Shooting Hours: Saturday, June 23th - 9:00 a.m. to 5:00 p.m.

For more information contact: Rut McGhee,
mcgheew@aol.com or (763) 670-9524

Bob Hall, Rudy Wadekamper Shoots May 19 & 20 at GRRC

GRRC saw 17 competitors brave severe winds on Saturday, May 19th for the Bob Hall Memorial. The weather was great despite the wind and there were some new shooters testing their skill at the full distance. Stacey Tamulinas did a masterful job as Line Officer, freeing up some OTC shooters to get into the fray for a change. Thanks Stacey!

The 200 yard line was won for both events by **Kurt Borlaug** shooting his trusty AR15 service rifle. The offhand score was a 185-3x and the sitting rapid stage was a 198-9x. First master in offhand was **Dick Van Valkenburg** at 182-2x and first expert was **Jon Peters** at 173-2x. First in HM sitting was **Kevin (Thor's Hammer) Bangen** at 197-10x. First in Master was **Mark Havlik** at 198-6x and first Expert was **Don Mastro** at 193-4x.

The 300 line witnessed fairly little left to right windage, but the velocity was increasing, coming straight from 6 o'clock. Kevin slammed out a tidy 199-9x for the match win with **Havlik** again on top in Master Class at 194-4x. The Expert Class went to **Don Mastro** with a 198-7x. Don, Please, please come to Perry this year! I know you miss it.

As always the 600 yard line saw age and finess, well at least a lot of age, win out with **Dale Wickstrom** on top with 195-5x. First Master went to **Dick Van Valkenburg** at 195-4x. He must be listening when Dale speaks on those long trips from Dullyouth. Dick was firing a space gun in 240

Turbo.
Overall match winner and Bob Hall trophy caretaker was **Kevin Bangen** at 775-25X and second place was Kurt Borlaug at 762-19x. Erik Rhode took second in Master aggregate and Don Mastro was high in expert at 734-16x. Thanks to all for a great early season contest.

Sunday saw the Rudy Wadekamper match contested under a drizzle driven by some tough wind. The Waddy Trophy goes to the high shooter firing a .308 with bullets less than 156 grains. Due to the increasing rain, the match director made the call to stop the match after completion of the 900 yard phase. There were 21 shooters posting scores including 10 F-Class competitors. Wadekamper match rules now allow a non-resident to be eligible for the win and **Brian Mrnak** from Wisconsin took it home with a 299-15x. His only point drop occurred at 800 yards for a 149-7x and a clean with 8x at 900 yards. An X-count of 50% is pretty impressive when you've got rain in your front sight! Stacey Tamulinas was 2nd overall at 293-9x.

The Master class went to Elliot Zunich at 290-6x and Paul Cross was 2nd in Master at 287-7x. The Father-Son duo of Chris and Eric Hazelton battled it out with Jr. Eric beating Dad at 282-4x to 280-4x. Looks like Dad will be re-loading again! Chris took home the unlimited bullet trophy firing a 6.5/284. In F-Class, the match winner was Eric Johnson with a 296-13x. Eric cleaned at 800 with 7-x. Second overall and first in Master Class was Carl Kaster at 294-10x. GRRC Member John Rykhas was first in combined class with a 290-7x. Despite the weather all of the competitors were glad they stuck it out as they will have tale to tell for the ages.

GRRC Schuetzen Match May 2012

Thanks again for coming out and supporting the Schuetzen Matches here at GRRC. I hope all of you had as good a time shooting as I did in putting it on. A few things I would like to throw out for some feedback: The match in August will be the last for my current supply of medals. These are of my own design and ones which I have been quite proud to offer. I have talked to some of you about what you would like to see for awards going forward. Some of you mentioned enameled pins, ones that can be worn in a hat or on a shooting bag; a neat idea. I could order more medals of the same, or of a different design. Whatever we do for 2013 and beyond will be tasteful. I'd like to hear your thoughts.

There have been more than a few requests for expanding the rimfire matches to include an iron sight benchrest match. There are two paths we can go on this. If I add matches based on our current attendance I will need to increase the shooting fees to cover the increased expenses. I am reluctant to take that step; the alternative is to drop one which we currently offer. Based on past activity the matches which have the least interest are Offhand and the Buffalo Hunter's "X-stick" match. Historically Schuetzen was always an offhand sport, I will never drop this from the schedule; that would be heresy. Therefore, in spite of what the match flyer says for the match in August we will retire the X-Stick match and substitute it for an Iron Sight Rimfire match. We'll call it Match #7.

MATCH # 7: 100 YARD RIMFIRE BENCHREST, ANY IRON SIGHTS.
(Single entry match) 40 shots on 4 targets, 10 shots per target.

This will be offered in addition to the Any Sight benchrest .22 match. We had our best turn out ever this match with 16 registered shooters. Saturday wasn't too bad, Sunday was miserable- I swear it was trying to snow! Even

the guys from Wisconsin had the good sense to stay home on Sunday, unlike last year. There were several impressive scores shot, and two new records set. Yours Truly shot a 939-7c setting a new record for the Iron Sight Benchrest Match, the previous record was held by Jim Jaskowiak 935-7c.

Jim Jaskowiak, who hails from Iowa, telephoned me several weeks back asking about our .22 match. He told me he had a rifle he wanted to use for the match which was fitted with iron sights. I told him he was welcome to shoot what he wanted but those who found their way to the winner's circle had scopes on their equipment. Not to be intimidated and looking forward to the challenge he shows up and pulls an old Stevens Crack-shot out of its case, and I'm rolling my eyes asking if he was serious. The pea-shooter weighs maybe 3 lbs; its rear sight looked like the manufacturer simply heated the barrel up and scraped some metal together and completed it by filing a notch. Hmm. Eventually Jaskowiak gets around to pulling out a fine Martini .22 caliber target rifle fitted with quality target sights. He proceeds to shoot a new record for this match with a score of 959-10c- with iron sights no less, outstanding. No sooner finishing this he's looking over his shoulder at the score shot by Kevin Vlasich- 956-10c. This would have set a new record also. Both were excellent scores. The old record was shot by Terry Maroney back in August of 2009 944-8c. That record stood for a long time, but now the bar has been raised again. Below is a list of the scores for our May Match. Our next match is scheduled for the weekend of August 11-12. See you all there.

- Bruce Peglow, Schuetzenmeister, GRRC

Match 1 Benchrest Any Sights	Match 2 Benchrest Iron Sights	Match 3 Offhand Any Sights	Match 4 Buffalo Hunter Iron Sights	Match 6 Rimfire Any Sights
Gerald Klitz 931-9c Jim Strandquist 928-9c Terry Maroney 921-8c Mike Barret 906-4c Russ Denekamp 891-1c Ken Kauffman 876-2c Bruce Staberg 863-1c	Bruce Peglow* 939-7c Jim Jaskowiak 904-2c Gerald Klitz 887-5c Bruce Staberg 876-1c Jim Strandquist 871 Rick Rarick 859 Terry Maroney 821-1c Bill Stordahl 784-1c Jerry Stordahl 700	Gordon Hall 729 Bruce Peglow 682-1c Jim Jaskowiak 673 Gerald Klitz 615	Gordon Hall 301 Mike Theisen 232-1X	Jim Jaskowiak* 959-10c Kevin Vlasich 956-10c Mike Barret 946-12c Rick Rarick 922-7c
				* New Records
				

President's Notes: Dave Newell

At the top of my list I must thank all the GRRC members who took the time to attend the May General membership meeting. The decisions made that Tuesday were very difficult for all that attended.

Joe Groshens has resigned from the **Archery Chair** position. The next time you see Joe please thank him for all his work in setting up the archery range. GRRC is now looking for someone to step forward to complete what Joe has started. **Andy Carlson and his wife** have done much of the storm cleanup work from last summer's storm. Cutting up fallen trees and hauling wood is a long and hard work. Thank you, Andy. In the last year the book and movie *The Hunger Games* has rejuvenated the archery sport to levels that it has never seen. The book got many young readers into reading like *Harry Potter* did. (Karen read all three in a weekend, and we ate cold cuts until she finished.) Nationally, archery ranges are turning away interested shooters because they don't have room. An **archery program** that would get younger shooters to the Harris range may be great opportunity for our club.

Visiting the range Memorial Day weekend, is was wonderful to see the activities going on. Not all actives at the range center around the pits and firing line. A quiet afternoon around the pool in the campgrounds is wonderful family fun. (See the picture in the Red Shed Report.)

Our Facility Management team installed a **wooden fence** along the west side of the campground. After last year's storms, we found just how close our neighbors are. Good fences make good neighbors.

Sunday, May 27, I spent several hours watching the **1000 Bench Rest** match. The amount of work it takes to put on one of these matches is incredible. One fulltime line officer, one fulltime pit boss, and three full-time score and computer entry workers were all very busy. I have never seen scoring where you measure a group to 1/1000 of an inch. I encourage all GRRC members to visit another discipline's matches- just to add to your understanding and appreciation of the sport.

August 11-12 at the MP range would be a wonderful interdisciplinary experience. The **Schuetzen Matches** were originally nineteenth century German family picnic excursions. Today our shoots are more about shooting but the rifles at these matches are more like visiting a museum.

GRRC is looking for a **general purpose tractor**. If any gopher member knows about something for sale please call me. With the internet we can look at units from Wisconsin to the Dakotas without leaving home. The closer to home is usually better.

July 14th the Highpower boys will be putting on benefit rifle matches and barbecue for the **M1 for Vets Program**. This event has been snowballing in the last month! The VFWs and Legion Posts that find out about the event are all lining up to help and support the day. This is a wonderful event; please mark it on your calendars NOW. It will run concurrent with the **NMLRA Territorial Match**...so the ranges will be hopping with activity.

My thanks to this month's newsletter contributors: **Rik Rarick, Mark Havlik, Kurt Borlaug, Bruce Peglow, Laurie Pekarik, Steve Marden, Rick Repovsch, Bruce Aune and Rich Williams.**

Gong Shoot May 12-13 at GRRC

Thirty-four participants, incredible winds and a great time. - Rik Rarick

Lever Gun: 1st John Moon (accepted by Bruce Aune) 2nd Dick Schaaf 3rd - Tom Mace

Buffalo: 1st Bruce Peglow 2nd Tom Mace 3rd Tom Myer

Silhouette: 1st Art Garcia 2nd Bob Saathof 3rd Tom Myer

NATIONAL MUZZLELOADING RIFLE ASSOCIATION
PRESENTS THE
2012 MINNESOTA TERRITORIAL
July 13, 14, & 15, 2012
HOSTED BY

GOPHER RIFLE AND REVOLVER CLUB

Range located in Harris, MN off of Interstate 35
(Map on back page)

Shooting Hours

Friday, July 13 and Saturday, July 14 - 9:00 a.m. to 6:00 p.m.

(Friday and Saturday no relays start after 5:45 p.m.)

Sunday, July 15 - 9:00 a.m. to 1:00 p.m.

(Sunday no relays will start past 12:30 p.m.)

Protest Period Sunday till 1:30 p.m.

AWARDS - Sunday - 1:30 p.m.

Single Shooter Registration Fee: \$8.00 - \$8.00 per Aggregate

Family Registration Fee: \$13.00 - \$8.00 per Aggregate each person

Intermediate, Junior and Sub-Junior - No Charge

Registration will open at 8:00 a.m. each day

It is the purpose of the National Territorial Championship to bring a national shooting program closer to black powder shooters nationwide. All competitors competing in a territorial match will be eligible to compete in the National Territorial Championships, to be held at the Walter Cline Range in Friendship, Indiana. All who wish to compete may do so. Non-members registration is \$12.00 for single registration, 12.00 per aggregate. Non Member family is \$18.00, and 12.00 per aggregate.

5th aggregate free for all competitors!

NRA members may compete in the NMLRA Territorials without having to be members of the NMLRA.

NRA members must pay the same fees for registration and aggregates as the NMLRA members.

NRA members are eligible for the same awards as NMLRA members.

We thank the following business for their generous contributions

Al Lueck Memorial Shoot June 2-3 at GRRC

Crazy wind aside, the 2012 Al Lueck Memorial BPCR Shoot June 2-3 at Gopher. Top scorers were center **Mike Theisen** of St. Cloud, Second Place **Ray Hanson** (rt.) of Fargo, and Third Place **Ralph Stewart** (l.) from Little Falls.

All Around Match Day Saturday June 30

This will be a fun day to shoot any or the entire "All Around Match". There will be practice targets available for a nominal charge. Lunch will be available in the Red Shed. Sometime in the afternoon we will also be shooting shotgun so you will be able to get that part of the match shot if you cannot make it on a trap league night. Come out and shoot with some club members you may know or meet some you don't know. Compete in a fun low stress day of shooting. Learn some of the finer points of heckling or challenge another club member. This is a **club member only match** but feel free to bring your spouse or kids along to shoot. Make it a family fun day at the range. Remember camping is always open for club members at the range if you want to spend an evening around a campfire.

Practice rounds of trap \$4.00 After everyone has shot their 16yd Trap Match, we can fire the wobble trap up for some really fun shooting- so bring a box of clay pigeons if you want to try that.

When: 6/30/2012 9:30 a.m. -?

Where: Black Powder Range

Joyce and Tom Borchard, GRRC Member-owners 6028 410th Street
North Branch, MN 55056 (651) 674-2988

CABELA'S <http://www.cabelas.com> The World's Foremost Outfitter of hunting, fishing and outdoor gear. GRRC Donor.

GANDER MOUNTAIN www.gandermountain.com Through corporate contributions and national and regional event sponsorships we support multiple organizations that benefit our customers and our associates at a local, regional and national level.

GUN STOP ENTERPRISES <http://www.gunshopfinder.com/> Gun Stop is one of Minnesota's best sources for firearms and firearms accessories. At any given time we have nearly 1,000 or more guns in stock. In fact, we have one of the most extensive inventories of handguns in the state.

DPMS FIREARMS <http://www.dpmsinc.com/> Today, DPMS Firearms, LLC is located in St. Cloud, Minnesota and currently ranks as the second largest manufacturer of AR-15 rifles.

JOE'S SPORTING GOODS <http://www.joessportinggoods.com/> Quality, Service and a Convenient Location. Joe's has the same great customer service we've had for over 75 years, but we now have a more convenient location: one block east of Rice Street on County Road B on the south side of Highway 36.

JP Enterprises, Inc. <http://www.jprifles.com/> Manufacturer of high performance AR-15/AR-10 components for the home builder and the complete line of JP custom semi-automatic and manually operated rifles and upper assemblies for the enthusiast. Ask for your club discount. 651-426-9196
